<b>Excellent meats 34</b>	<b>Separate venues really break up the unity and continuity frustrated with long waits for taxi at night</b>
<b>Accommodation adequate x 13</b>	<b>To many stairs</b>
	<b>Oxley mote inn dirty</b>

**Suggestions for In Service 2012.**

<b>Microphone is needed x 2</b>
<b>Really need one central venue together x 3</b>
<b>Why change something when it works</b>
<b>Don't have it - take it by annual to regions in the other year</b>
<b>Indigenous issues forum rather than a presentation where chaplains queries can be submitted beforehand to address more relevant issues x 2</b>
<b>Started far to late in the morning – Maybe inhouse campsite would be better to have everyone on site</b>
<b>More time on legal's x 23</b>
<b>Have Kelvin Anderson again with more time x 6</b>
<b>Would be happy for the training to be here again x 5</b>
<b>Short term long term drug rehabilitation and how can they be accessed by prisoners and ex prisoners</b>
<b>The last session should be primary</b>

.....  
The Board is considering having In Service Training every two years, the second year training to be done in Regions, with the Board members travelling to the Regions.

<b>Great and about time</b>
<b>Live in "In service" is less tiring than all the travel.</b>
<b>I agree with the above proposal</b>
<b>I disagree – we have 3 stakeholders a year in the regions where chaplains can get together – this is the only time when we are all together x 6</b>
<b>People from regional areas already feel isolation give them the opportunity for wider consultation and support Annual Meeting for all</b>
<b>Worth wile initiative Excellent idea x 16</b>
<b>This could be more costly with the numbers to travel to northern centres</b>
